MESSAGE FROM THE PRESIDENT

Dear Friends and Supporters,

I am grateful for the Washington County community's generosity and commitment over the past year. Despite economic challenges, we raised over $205,000, achieving 95.3% of our $215,000 goal, benefiting 5,698 individuals.

This success reflects the hope provided to diverse groups, from infants to seniors. Our partner agencies, such as the Sacred Space and Boys & Girls Club, have effectively utilized your contributions to address urgent community needs.

As we aim for 2026, we remain dedicated to improving health, education, and financial stability for all in Washington County. With your ongoing support, we can create even more opportunities for our neighbors.

Thank you for believing in community power and investing in our future.

With appreciation,
Kim Dowdy
Board President
